Camp Vision

It is our hope that the Amarillo Parks and Recreation will offer a camp program that will provide each camper with the opportunity to build confidence, independence, social skills, environment appreciation, and promote collective responsibility while fostering a sense of community.

Camp Mission

Our School Break and Summer Break Camps are intentionally planned to enrich the quality of the campers' lives by providing a fun experience while implementing opportunities for them to learn, play and grow.

About the Staff

A qualified and experienced Camp Coordinator supervises each camp. Counselors at each camp are a mixture of mature and enthusiastic college and high school students. All camp staff are put through camp training which includes varied topics such as supervision and safety techniques to daily lesson plans and First Aid/CPR. We are proud of our staff and know that you will feel the same.

Parent Orientation

Acknowledgment of this handbook is required for your child to attend our school break camps including but is not limited to Thanksgiving break camp, Winter break camp, Spring break camp, summer break camp, and Kids Day Out. Please visit www.amarilloparks.org under the recreation tab to find the acknowledgement. If you have any questions, please contact the Kelsey Sargent at 806-378-9034 Kelsey.Sargent@amarillo.gov or Pedro Saucedo at 806-378-6008 Pedro.Saucedo@amarillo.gov. **We cannot allow a child to attend unless we have the acknowledgement signed by a parent or guardian.**

For Summer Camp Only: A virtual zoom parent handbook meeting about camps will take place at the end of May for the summer. An email invite will be sent out for you to attend if you choose. This zoom parent handbook meeting will be for the summer break camp at Warford.

Emergency Contacts

Amarillo Parks and Recreation collected Emergency contact information at registration. **We cannot allow a child to attend unless we have this information.** Emergency contact information needs to be updated or added to the emergency contact in your account on our registration system and or in the fetch kids app (during summer only). If you need to update your emergency contact information please contact Kelsey Sargent at 806-378-9034 Kelsey.Sargent@amarillo.gov or Pedro Saucedo at 806-378-6008 Pedro.Saucedo@amarillo.gov or the front desk at Warford Activity Center 806-803-9785.

Camp T-shirts (Warford Summer Camp Only)

The Amarillo Parks and Recreation department will provide each camper with a T-shirt. Shirts will be kept at Warford throughout the summer and handed out to the children to wear on their field trips. We will wash them after each use.

Check In/Out Policy

Warford requires written permission to allow a child(ren) to leave with anyone. Records of those authorized to sign out a child(ren) are maintained by the program. Parent(s)/guardian(s) must designate those authorized to sign a child(ren) in and out of the program. This written authorization is managed through the Fetch Kids app for summer camp only. Through the app, the primary parent/guardian has the ability to send invitations to other designated individuals, granting them permission to pick up the child(ren) from the program. The app also provides an option for joint custody arrangements, allowing both parents and guardians to manage and

authorize pickups. Parent(s)/guardian(s) may add a person or persons to the authorized list for their child(ren) by submitting an authorized release form through the app.

Arrival & Pick-Up Procedures

Ensuring a smooth and safe arrival and pick-up process is essential to providing a well-organized experience for both participants and parents. Please carefully review the following policies to ensure the safety and efficiency of drop-off and pick-up.

Please do not drop off your child before the starting time of your designated camp site, and please be prompt when picking up your child after camp each day. (Please note that we reserve the right to charge a fee for children that are dropped off early or picked up late).

 - Upon arrival, FetchKids will update to "Arrived," allowing staff to confirm the pick-up.
 - Children will not be released to anyone who is not listed as an authorized pick-up person in FetchKids.
 - Parents must complete the process in the FetchKids app before their child is released.
- Handling Unauthorized Pick-Ups:

 - Important announcements will be shared through FetchKids.
 - Push notifications will be sent for any updates or critical information.

Camper Guidelines

Clothing

(Weather Permitting) Children should wear jeans, shorts, or athletic pants, T-shirts (long or short), socks and tennis shoes or sandals with closed toe and backstrap. Children also need to bring a towel, and swimwear each day they plan on participating in swimming at the School Break, Kids Day Out, and Summer Break Camp at Warford. Please have your child bring a jacket just in case the weather changes when they are outside. We ask that the children refrain from wearing good clothes to camp, as it may hinder their participation in some activities or damage their clothes. It is also suggested that your child wear a cap or hat for protection against the sun. **Please label all the items that your campers bring to camp.**

Lost & Found

Please encourage your child to keep track of his or her belongings. The Amarillo Parks department and its counselors will not be held responsible for lost or stolen items. At each campsite there will be a lost and found area where all belongings left on the site will be placed. If your child should lose any belongings, please feel free to look through the Lost & Found area at the Warford front desk. At the end of each camp session, all lost articles will be removed and donated.

Sunscreen, Bug Spray

It is recommended that your child bring sunscreen and bug spray to camp each day. All campers should wear sunscreen and have sunscreen with them daily to reapply. (Counselors are only allowed to assist with spray-on sunscreens). Campers will be reminded to re-apply throughout the day.

Things to Bring

- Breakfast & Lunch will be provided at the School Break and Summer Break Camp at Warford. Parents can find a food menu for the week on High Plains Food Bank website. Participants are more than welcome to bring their own food.
- Afternoon snacks will need to be provided by the parent or guardian. Parents or guardians are more than welcome to donate bulk snacks to their child(ren)'s class for them to enjoy!
- Every camper should always have a water bottle with them. We suggest a 24oz or 32oz refillable bottle. Children will need to be able to carry their own water bottle. Water bottles need to be labeled with the child's name.
- Campers- bring swimsuit and towel in a backpack if they are swimming.
- Campers are allowed to wear Coast Guard approved life vests if needed. The camper who opts not to wear a life vest will be required to pass a swim test conducted by lifeguards and also receive parents' permission.

Swimming

School Break and Summer Break Camp at Waford

Swimming will take place every day from 1:15pm to 2:45pm. There is a 15 min change time before and after swimming. A full staff of American Red Cross certified lifeguards, as well as the camp counselors, will be on duty to provide supervision and enforce the pool rules. Please send your child with a swimsuit and a towel properly labeled with their name.

Swim Testing

Campers may be required to pass a swim test in order to not wear a life jacket and swim in the deep end. The swim test consists of campers swimming the length of the 3-5' section, along the lane line of the deep pool, without stopping or struggling. Amarillo Parks and Recreation Department Lifeguards administer the test. Campers only need to pass the test once to be issued a swim bracelet allowing them access to swim anywhere in the pool without a life jacket. If a camper does not pass, they can re-try the test the next swim day. A record of who passes the swim test will be kept. We will also require parents' permission for children that pass the swim test and do not want to wear a life jacket.

Non-Swimmers

Children that opt out of swimming will have an opportunity to either play outside (weather permitting), in the gym, in the game room for children 9+, watch a movie, play with stem boxes, or participate in arts and crafts.

Severe Weather

In case of severe weather conditions: Thunderstorms, Lightening, Tornado Watch and or Warning the following areas will be used.

Emergency Drills and Procedures

Fire Drills: In accordance with the City's Standards of Care, fire drills will be conducted regularly to ensure that both staff and participants are prepared for an emergency. The Warford Activity Center will conduct fire drills once every three months. Program Employees will be trained in the proper use of fire extinguishers and evacuation procedures.

Active Shooter Protocol: In the event of an active shooter situation, all staff will follow established safety protocols as outlined in the emergency procedures. Staff members will be trained to respond quickly and appropriately, ensuring the safety of all participants. Emergency exits and designated safe areas will be communicated to all staff and participants, and drills will be conducted to prepare for such emergencies. Parents will be informed if such an event occurs during the camp session.

Field Trips (Warford Summer Camp Only)

No refund will be issued for the day they missed.

Code of Conduct

Amarillo Parks and Recreation reserves the right to suspend, expel, or deny participation in any program, event, or facility to any person whose behavior interferes or disrupts the quality of the offerings, the enjoyment of them by other participants, or the ability of the staff to conduct or manage the activities. In the case of any unacceptable behavior during camp hours, our staff will always make their best efforts to discuss the negative behavior that needs to be changed, give ways to correct it and give the consequences if not corrected. We understand that all children will have an occasional bad day or make a wrong choice, and we believe, through positive reinforcement, choices can be improved. Behavioral circumstances will be handled with reasonable accommodation for all participants.

Expected Behavior of campers:

All participants are expected to demonstrate respectful, appropriate behavior at all times. These guidelines are designed to ensure a safe, inclusive, and enjoyable environment for all campers. Additional rules may be implemented by supervisors or staff as needed to maintain safety and order.

- Always show respect to staff and fellow campers. This includes listening to and following directions, using appropriate language, and refraining from backtalk, swearing, name-calling, discriminatory language, or hateful remarks toward staff or other campers.
- Refrain from bullying behaviors. Bullying will not be tolerated and includes, but is not limited to, teasing, name-calling, harassment, excluding others, physical aggression, verbal taunts, or any implied or explicit behavior intended to harm, demean, or intimidate another individual.
- Follow all camp rules and staff instructions. Failure to comply may result in disciplinary action, including being sent home. Examples include refusing to move with the group, intentional destruction of property, not participating in activities, or repeated noncompliance.
- Participate appropriately in camp activities and demonstrate good sportsmanship during all games and group events.
- Remain in assigned areas. Failure to comply may result in disciplinary action. Leaving the premises will result in an automatic Level One suspension.
- Avoid sexual misconduct or inappropriate physical contact of any kind. Avoid flashing of inappropriate areas on body as well.

- Refrain from using electronic devices during camp hours. Unauthorized use of electronics will be handled according to the Electronics Policy.
- Report concerns to staff immediately. Campers are encouraged to inform a staff member if they are being disturbed, taunted, or made uncomfortable by another camper. Staff cannot address issues they are unaware of. Even if staff are nearby, they may not have seen or heard of the incident.

Discipline Policy & Levels

Amarillo Parks and Recreation uses a positive, caring, and progressive approach to discipline. When behavioral concerns arise, the following steps may be taken:

Progressive Discipline Warnings

- **Level 1 Warning:**
The camper will sit out for 5 minutes and have a discussion with staff regarding their behavior.
- **Level 2 Warning:**
The camper will sit out for a designated activity. The Program Coordinator will speak with the camper, and parents/guardians will be notified.
- **Level 3 Warning:**
A written disciplinary form will be completed, and a parent/guardian signature will be required.
- **Time-Outs:**
Campers may have no more than three time-outs or removals from activities per program per day.
- **Whole Group Discipline-** Staff may also implement whole-group discipline if a majority of the group is not following camp rules. The same discipline guidelines listed above will apply.

Field Trip Policy (Summer Camps Only)

- Field trips are considered a privilege and a reward. Campers who are at a Level 3 warning or higher will **not** be permitted to attend field trips. These campers will remain at the Warford Camp location with a staff member while the rest of the group participates in the field trip.

Suspension Levels

- **Level One Offense**
 - **Consequence:**
 - One-day suspension (the day of the incident and the following day).
 - No refund will be issued.
 - **Examples include, but are not limited to:**
 - Physical aggression or fighting without serious injury
 - Bullying behaviors (case by case)
 - Leaving the premises without permission
 - Destruction of property
 - Discriminatory or hateful remarks or gestures
 - Continued verbal abuse, cursing or indecent language towards staff, other campers, or members at Warford Activity Center.
- **Level Two Offense**
 - **Consequence:**
 - Suspension of up to one week (5 camp days).

- Examples include, but are not limited to:
 - Fighting results in injury (cuts, bruises, bleeding, etc.)
 - Sexual misconduct or inappropriate touching
 - Behaving in a manner or performing an act which is likely to endanger the health, safety, or welfare of himself/herself or others.
- Repeat Offenses:
 - If a camper commits the same offense again after a Level One suspension, it will automatically escalate to a Level Two suspension.
- Level Three Offense
 - Consequence:
 - Six-month suspension from all Amarillo Park and Recreation programs and facilities.
 - No refund will be issued.
 - Examples include, but are not limited to:

 - Fighting results in serious injury (stabbing, broken bones, severe bleeding, head injuries, etc.)
 - Any other unlawful activity and any other behavior deemed offensive or unacceptable
 - Repeat Offenses:
 - Repetition of previous level Two Offense will automatically result in a Level Three suspension.

Written Behavioral Form Policy

Our goal is always to work collaboratively with campers and parents/guardians to promote positive behavior and avoid suspension whenever possible. However, repeated violations of camp policies or failure to correct behavior may result in suspension, determined on a case-by-case basis using the discipline levels outlined above.

When a camper continues to display inappropriate behavior, supervisors will complete a written disciplinary form documenting the incident. Parents or guardians will need to sign the disciplinary form and will be given a copy.

Immediate Removal & Zero Tolerance

- Campers will be immediately sent home for any physical or verbal threats, or for bringing or engaging in behavior deemed unsafe by staff.
- There is zero tolerance for bullying, violence, threats, or unsafe conduct.
- Any physical action toward another camper, staff member, or property will result in a minimum one-day suspension (the day of the incident and the following day).

Rewarding Good Behavior

At Amarillo Parks and Recreation, we believe that recognizing positive behavior is essential to creating a safe, encouraging, and enjoyable camp environment. Staff use positive reinforcement to promote respect, responsibility, cooperation, and kindness among campers.

Ways We Reward Positive Behavior

- **Verbal Praise:**
Staff will regularly acknowledge campers who follow directions, demonstrate good sportsmanship, show kindness to others, and model positive behavior.
- **Camper of the Week:**
Each class will select a *Camper of the Week*. The camper's name or photo will be displayed on the class bulletin board, and they will receive a special reward in recognition of their positive behavior.
- **Treasure Chest Rewards:**
Campers who earn a blue (see behavior chart below) may choose a small prize from the treasure chest at the end of the day. Prizes may include items such as small toys, stickers, or candy.
- **Group Rewards:**
If an entire class remains in green status at the end of each day throughout the week, the class will be rewarded with a pizza party.

Positive reinforcement allows campers to feel proud of their actions and encourages them to continue making positive choices throughout the program.

Classroom Set up

To promote structure, accountability, and positive behavior, each classroom at Amarillo Parks and Recreation camps is organized using the following tools:

Behavior Chart

- Each class will use a color-coded behavior chart with the following levels:
- **Blue:** Demonstrating outstanding behavior and making excellent choices
- **Green:** Doing great and following camp expectations
- **Yellow:** Warning—reminder to improve behavior and make better choices
- **Red:** Not making safe or appropriate choices

Behavior charts help campers understand expectations and provide visual feedback to encourage positive decision-making.

Flags Chart

- Each classroom will have a flag system to help campers understand appropriate noise levels and expectations:
- **Green Flag:** Campers may talk and interact using appropriate inside voices
- **Yellow Flag:** Campers need to begin quieting down and cleaning up their areas
- **Red Flag:** No talking; campers are expected to listen carefully and follow staff instructions

This system allows staff to quickly communicate expectations and maintain an organized learning environment.

Job Tasks Chart

- Each classroom will display a job tasks chart to encourage responsibility and teamwork.
- Every camper will have a name card
- Task cards will be assigned daily
- Each camper will be responsible for a specific classroom duty

This system helps campers understand their responsibilities, promotes accountability, and fosters a sense of community.

Daily Schedule

- Each classroom will post a daily schedule that is visible to all campers. The schedule helps campers:
- Stay on task
- Understand transitions
- Know what to expect throughout the day

Providing a clear routine supports a structured and positive camp experience.

Health and Safety

All campers must be toilet trained by the start of camp. Children should be kept at home if they exhibit any of the following symptoms (including, but not limited to), and sick children should be kept at home 24 hours after the symptoms disappear.

- Fever, rash, diarrhea, vomiting, discharge of the nose, ears or eyes, and presence of lice or any contagious situation.

If a child becomes ill at camp, the parent or emergency contact person will be notified to pick up the sick child immediately. Please ensure that emergency contacts are in the area and are willing to perform as contacts for your child, prior to placing them on the Emergency Form.

Medication

Staff will not administer medication. Medications needed for use for life-threatening conditions (e.g. epi pen, bee-sting medication, inhaler) and limited medications approved for use in first-aid kits may be carried and self-administered by the child(ren). Parent/guardian shall provide documentation related to self-administration of medications.

If your child(ren) has a restrictive diet such as gluten free, high protein, etc., the program cannot guarantee that snacks & meals provided will meet your child(ren) needs. In such a case, parents will be asked to send appropriate breakfast and lunch for their child(ren). High Plains Food Bank requires a doctor's note to accommodate food allergies. Note: High Plains Food Bank tries to accommodate food allergies, but some allergies they might not be able to accommodate as well as special allergy foods are prepared in a facility and on equipment with possible allergies.

In case of serious injury: All staff are CPR, First Aid and AED certified, however if your child requires more than just basic first aid, the following steps will be taken:

- Call 911
- Make attempts to contact parent/ guardian immediately
- If parent/guardian cannot be reached, will call other contact people on emergency form
- If paramedics need to take your child to the hospital, a camp counselor will accompany and stay with your child until the parent/guardian arrives.

Camp Communication

FetchKids Communication Information (Summer Only)

Our day camps will utilize FetchKids for communication. Parents will receive an invitation to join the camp on FetchKids, where we will post important updates, including camp calendars, typical schedules, reminders, photos, field trip details, changes in camp locations, and more. Please make sure to establish your connection on FetchKids to stay informed. We recommend coming in before the camp if you need to be set up on the FetchKids App or make sure to set aside extra time for the 1st day of camp.

School Break Camps (Thanksgiving, Winter, Spring and Kids Day Out)

Please call the Warford Activity Center front desk phone: 806-803-9785 and ask for Pedro, Noah or Kelsey. Please understand that they are actively participating in activities with the campers and may not be able to answer immediately, so kindly leave a message at the front desk attendant or send an email (email is on the first page).

Personal Belongings

Children may bring appropriate personal belongings to the Parks and Recreation camp, class, and or event. Parks and Recreation are not responsible for the replacement or repair of any items that may be lost, stolen, or broken.

Refund Policy

Photo Policy

Standards of Care

Standards of Care have been adopted by City Council of the City of Amarillo, in order to exempt City of Youth Programs from state child-care licensing requirements. The Standards of Care are intended to be the minimum standards by which the City of Amarillo Parks and Recreation Department will operate the City's Youth Programs. The programs operated by the City are recreational in nature and are not child-care facilities. Please visit the www.amarilloparks.org under the recreation tab to view the Standards of Care.
